

Tim Cechini

district manager

DC Exploration & Wells is pleased to announce the promotion of Mr. Tim Cechini to District Manager of our Southern California District Office.

Tim received a Bachelor of Science degree in Geology from Colorado State University in 1989 and began his career as a geologist working in Alaska, Colorado and Nevada, respectively. In 1992, Tim entered the drilling industry in Southern California and has since become an NGWA Certified Well Driller for Hollow Stem Auger, Air Rotary, Mud Rotary and Flooded Reverse Circulation. In the past seventeen years, Tim has designed and managed hundreds of drilling projects throughout the Southwest.

Since joining WDC in 2004 Tim has become a true resource for our customers and also our own personnel by possessing an incredible wealth of technical expertise and practical knowledge. Tim has built a career by consistently exceeding expectations, and managing the region's premier drilling operation will be no exception.
